Denied camera or microphone permissions?

Last Modified on 06/01/2022 12:21 pm EDT

If you have denied camera and mic permissions, follow the steps given on your screen to reset the permission.

For Android Devices

9:41				I 🗢 🔳
			mic permis below step	
0	Step 1: Tap on Bro	owser Menu	> Settings	
0	Step 2: Go to Advi	anced Sectio	on > Site Sett	ing
0	E Cam	ra or Microp	hone	
0	• Microphone	mera/microp	hone to swite	ch on
		Refresh		
<	>	Û	Ш	þ

For Safari and Mozilla browsers

These browsers tend to ask for camera/mic permission every time you refresh the browser. Make sure you always "allow" the permission.
